

Lakeside Jr. High

If you would like to create a Parent Access account to see your child's grades and missing assignments, then please contact Mrs. Kolkowski at 993.2617.

School sports are going strong. Most practices start between 2:30 - 3:30. While students are waiting, they can go to Club 212 to get a snack, work on homework and hang out with friends. It allows more kids to be able to play because they don't have to go home first and try and get back to school. Jr. High sports are free, some come support us. -Aaliyah Pratt

The school year started off great. The days go way faster with 7 classes. The lockers were hard at first, but now we are all experts. Our library is beautiful and we can read in front of the big window. ROAR time has been a good way to start the day and we love all of the food options at lunch. -Lucca McCoy and Hayden Mathers

LJH is a Title I school. Title 1 funds can be used to improve curriculum, instructional activities, counseling, parental involvement, and program improvement. How can you get involved? Please join us Sept. 23rd @ 10:00am for our first Parent Advisory Committee meeting.

Families can now download the PBIS Rewards app. A QR code was provided to families via a letter from the school, and through email. The app confirms the QR code, allowing families to access your child's point totals and progress as the school year goes along.

Families can recognize and encourage positive behavior at home based on the information available in the app. Once connected, teachers can send short messages through the app to let you know how your child is progressing, and send out updated information to help keep everyone connected. We can't wait to share all the great things

happening at LJH. [Click here: Parent Support Video – What is PBIS Rewards?](#)
